Chapter 2: The Long Depression

The inter-war period in Britain was marked by a series of severe economic downturns and a high level of unemployment. This period is often referred to as the "Great Depression," and it had a profound impact on the country's economy and society. During this time, many people were left jobless and struggling to make ends meet, and the impact of the depression was felt for many years to come.

Chapter 3: The Impact of World War II

World War II had a significant impact on Britain, both in terms of its economic and social consequences. The war led to the country's military involvement, and this resulted in a significant increase in government spending. The war also led to a decrease in consumer spending, as people saved money for the war effort. This had a negative impact on the country's economy, and it contributed to the long-term economic depression that Britain experienced in the post-war period.

Chapter 4: The Role of the State in the Economy

During the inter-war period, the state played a significant role in the economy. The government provided support to businesses and industries, and it also played a role in regulating the economy. This was done through the use of government policies and regulations, such as taxes and subsidies. The government also provided funding for research and development, which helped to spur innovation and growth.

Chapter 5: The Legacy of the Depression

The legacy of the Great Depression in Britain is still felt today. The country's economic policies have been shaped by the experiences of the inter-war period, and this has led to a focus on economic stability and growth. The country has also been affected by the global financial crisis of 2008-2009, which had a significant impact on its economy and society.

Kendall has written a ferocious clarion call to all would-be feminists to live out the true mandate of the movement in thought and deed.

The Bell Jar—Sylvia Plath 2015-08-11 A realistic and emotional look at a woman who falls into the grip of insanity written by the great American writer Sylvia Plath. "It is this perfectlyoytought prose and the freshness of Plath's voice in The Bell Jar that make this book enduring in its appeal." — USA Today The Bell Jar chronicles the crack-up of Esther Greenwood: brilliant, beautiful, enormously talented, and successful, but slowly going under—perhaps for the last time. Sylvia Plath masterfully draws the reader into Esther's breakdowns with such intensity that Esther's insanity becomes completely real and even rational, as probable and accessible an experience as going to the movies. Such deep penetration into the dark and unknown corners of the psyche is an extraordinary accomplishment and has made The Bell Jar a haunting American classic. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.
