
Kennedy’s Wars. A Companion to John F. Kennedy presents a comprehensive analysis of his foreign policy and his role in reshaping the US welfare state, his decision-making and rhetoric in light of the new documentary evidence available. Voorhees examines the impact of John F. Kennedy on his handling of the Cuban Missile Crisis through his use of back-channel dealings with Khrushchev during the lead-up to the crisis. The book also explores George W. Bush presidency, 9/11, and the war in Iraq. The historiographical essays at the end of each chapter have been updated to reflect the latest scholarship on Kennedy's wars.

A Companion to John F. Kennedy chronicles events and policies with emphasis on the international setting and constraints within which Kennedy operated. The book is divided into two parts: Part I covers Kennedy’s foreign policy, his decision-making, and his rhetoric, while Part II focuses on his domestic policy, his decision-making, and his rhetoric. The book concludes with a series of essays on Kennedy’s legacy, his influence on later presidents, and his impact on American and world affairs.

Analyzing Kennedy’s Wars. A Companion to John F. Kennedy is an essential resource for anyone interested in understanding Kennedy’s foreign policy, his decision-making, and his rhetoric. The book is accessible to both scholars and general readers, and it provides a comprehensive analysis of Kennedy’s foreign policy and his role in reshaping the US welfare state.

The Cuban Missile Crisis-The Cold War Comes of Age. Jacob Javits 2003-03-02

The Cuban Missile Crisis-The Cold War Comes of Age is a comprehensive analysis of the Cold War’s most significant crisis. The book examines the events leading up to the crisis, the decision-making of the Kennedy administration, and the impact of the crisis on US foreign policy. The book also explores the role of the Soviet Union and the United States in the crisis, and the impact of the crisis on the Cold War.

The book is divided into three parts: Part I covers the events leading up to the crisis, Part II examines the decision-making of the Kennedy administration, and Part III explores the impact of the crisis on US foreign policy. The book is based on a wealth of new documents and interviews, filled with fresh-sometimes startling-insights, written with immediacy and verve.

The book concludes with a series of essays on Kennedy’s legacy, his influence on later presidents, and his impact on American and world affairs. The book is an essential resource for anyone interested in understanding Kennedy’s foreign policy, his decision-making, and his rhetoric.

The Sins of the Father: Kennedy, Johnson, and the Vietnam War is a comprehensive analysis of the role of the Kennedy and Johnson administrations in the Vietnam War. The book examines the decisions made by the Kennedy and Johnson administrations, and the impact of these decisions on the course of the war.
