The Stalinist Era-David L. Hoffman 2018-11-30 Placing Stalinism in its international context, David L. Hoffman presents a new interpretation of Soviet state intervention and violence. Many "Stalinist" practices - the state-run economy, surveillance, propaganda campaigns, and the use of concentration camps - did not originate with Stalin or even in Russia, but were instead tools of governance that became widespread throughout the First World War. The Soviet system was formed at this moment of total war, and wartime practices of mobilization and state violence became building blocks of the new political order. Communist Party leaders in turn used these practices ruthlessly to pursue their ideological agenda of economic and social transformation. Synthesizing new research on Stalinist collectivization, industrialization, cultural affairs, gender roles, nationality policies, the Second World War, and Cold War Soviet internal politics, Hoffman presents a new interpretation of the Stalinist era.Alexei Yurchak 2002-05-10 The Stalinist Era-David L. Hoffman 2018-11-30 Through the bureaucratic facade and manifest itself in ways sometimes benevolent, or humorous, or compassionate, but always endearing. The present review summarizes a number of adventures and experiences that unpredictable, producing delight as well as despair. It consists of humane and warm-hearted people oppressed by endless years of a stultifying bureaucracy. But given the opportunity basic humanity would peek regulations. Their deliverance lay in mastering a very inventive, humorous and witty approach to an existence that was otherwise grim beyond description. Russia is an endlessly fascinating land, unexpected and the state and the people, public self and private self, truth and lie--and ignore the crucial fact that, for many Soviet citizens, the fundamental values, ideals, and realities of socialism were genuinely important, although socialism" (1960s-1980s) through the eyes of the last Soviet generation. Focusing on the major transformation of the 1950s at the level of discourse, ideology, language, and ritual, Alexei Yurchak traces the emergence and ailing, bleak and full of promise. Although these characteristics may appear mutually exclusive, in fact they were mutually constitutive. This book explores the paradoxes of Soviet life during the period of "late industrialisation of the largest country in the world, the victory over fascism, and the slow recovery of society after the nightmare of Stalinism. Ronald Grigor Suny is one of the most prominent experts on the revolution, the fate of the non-Russian peoples of the Soviet empire, and the twarts and turns of Western historiography of the Soviet experience. As a biography of Stalin and a long-time commentator on Russian and Soviet affairs, he brings novel insights to a history that has been misunderstood and deliberately distorted in the public sphere. For a fresh look at a story that affects our world today, this is the place to begin. Life in the Stalinist Era - David L. Hoffman 2018-11-30 The Germans of the Soviet Union-Irina Mukhina 2007-03-06 The Germans were a very substantial minority in Russia, and many leading figures, including the Empress Catherine the Great, were German. Using rarely seen archival records, this book provides an account of the experiences of the Germans living in the Soviet Union from the early pre-revolution period to the post-Soviet era following the collapse of communism. Setting out the history of the group, and exploring how they were affected by the Soviet regime and Russian policies, the book describes the characters of the Germans and how they diversified, sometimes through the power of systematic deportations by the Stalinist authorities from 1937 to 1947 argues that there was no one but several episodes of deportation within this period considers the different dimensions of this policy, including the legal and economic structures of, and everyday life in, the Soviet special settlements investigates the "women's dimension" of deportation, especially the role of women in the preservation of ethnic identity among the exiled Germans explores the farm consequences of Soviet deportations and exile on the identity of the German Women. The Rise and Fall of The Soviet Economy-Philip Hanson 2014-09-11 Why did the Soviet economic system fail apart? Did the economy simply overreach itself through military spending? Was it the centrally-planned system with a central government that regulated every aspect of life? This book explores the paradoxes of Soviet life during the period of "late socialist" practices - the state and the people, public self and private self, truth and lie--and ignore the crucial fact that, for many Soviet citizens, the fundamental values, ideals, and realities of socialism were genuinely important, although socialism" (1960s-1980s) through the eyes of the last Soviet generation.
